Docket No. 42084

ENTERED  
Office of Proceedings

AUG 16 2006

Part of  
Public Record

JOINT MOTION FOR EXTENSION  
OF TIME OF CF INDUSTRIES, INC.,  
KANEB PIPE LINE PARTNERS, L.P. AND  
KANEB PIPE LINE OPERATING PARTNERSHIP, L.P.

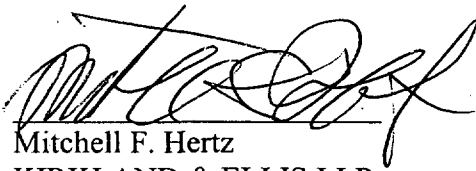

CF Industries, Inc. ("CFI"), Kaneb Pipe Line Partners, L.P., and Kaneb Pipe Line Operating Partnership, L.P. (collectively, "Kaneb" and along with CFI, "the Parties"), respectfully move for an order extending the schedule to file the supplemental and reply pleadings in the captioned docket. This motion is sponsored by all of the participants in this proceeding.

On May 30, 2006, the Surface Transportation Board ("STB") issued an order in the captioned docket ("May 30<sup>th</sup> Order") granting CFI's conditional motion to conduct discovery and ordering Kaneb to submit its final accounting report to the STB and CFI. The May 30<sup>th</sup> Order additionally ordered that CFI submit its supplemental pleading 45 days after the date that Kaneb submits its final accounting report and that Kaneb submits its reply 15 days after CFI's supplemental pleading is filed with the STB.

Kaneb submitted its final accounting report on July 28, 2006, making CFI's supplemental pleading due September 11, 2006, and Kaneb's reply to the supplemental pleading due

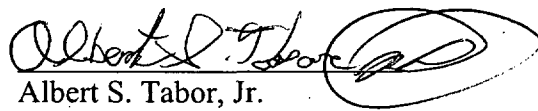

September 26, 2006. The Parties are currently engaged in discovery. Kaneb's responses and objections to CFI's third set of interrogatories and requests for production of documents and admissions were due on August 8, 2006. The Parties have mutually agreed to extend this deadline, so long as CFI is granted a corresponding extension to file its supplemental pleading. The Parties have agreed to extend Kaneb's response date by 14 days to August 22, 2006, conditioned upon the STB extending the procedural schedule by an equal period. The Parties respectfully request that the STB extend the procedural schedule to allow CFI to file its supplemental pleading by September 25, 2006, and Kaneb to file its reply by October 10, 2006.

Respectfully submitted,

Mitchell F. Hertz
